

Shailendra Parolkar, Texas, USA: An alumnus of IIT Kharagpur with over 25 years of experience in the field of information technology. He

has worked with several multinational companies across the globe performing different roles in software design & development as well as project & program management. He is very ***passionate about teaching Mathematics and Physics to high school students and preparing them for several competitive examinations.*** He has been doing that

for last several years and would like to support this great initiative of **Gyan-Vigyan Sarita** in any way he can.
