

INSPIRERS OF THE MONTH

Rene Descartes

Mathematician

Born: March 31, 1596

Birth Place: Descartes, France

Nationality: French

Famous Quote: It is not enough to have a good mind; the main thing is to use it well

Joseph Fourier

Mathematician and Physicist

Born: March 21, 1768

Birth Place: Auxerre, France

Nationality: French

Known as the first person to study the Earth's Temperature from a mathematical perspective

Christian Goldbach

Mathematician

Born: March 18, 1690

Birth Place: Knigsberg, Brandenburg-Prussia

Nationality: German, Russian

Known for Goldbach's conjecture

Georg Simon Ohm

Physicist and Mathematician

Born: March 16, 1789

Birth Place: Erlangen, Germany

Nationality: German

Known for his Ohm's Law

Pierre Simon Laplace

Mathematician

Born: March 23, 1749

Birth Place: Beaumont-en-Auge, France

Nationality: French

Known as French Newton

Gustav Robert Kirchhoff

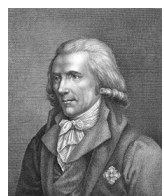

Physicist

Born: March 12, 1824

Birth Place: Konigsberg, Germany

Nationality: German

Known for Kirchhoff's Circuit laws

Benjamin Thompson

Physicist

Born: March 26, 1753

Birth Place: Woburn, Massachusetts

Nationality: Anglo-American

Known for Theory of Heat

Jamsetji Tata

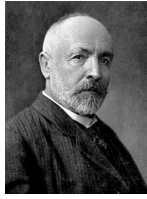

Industrialist

Born: March 3, 1839

Birth Place: Navsari, Gujrat, India

Nationality: Indian

Known for founding Tata Group

Georg Cantor
Mathematician

Born: March 3, 1845

Birth Place: Saint Petersburg, Russian Empire

Nationality: German

Known for creating Set Theory

Anandibai Gopalrao Joshi

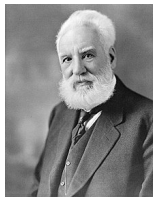

First Indian Female Practitioner of Western Medicine

Born: March 31, 1865

Birth Place: Kalyan, Bombay, India

Nationality: Polish

First Indian woman to study medicine in US

Alexander Graham Bell

Inventor, Scientist and Engineer

Born: March 3, 1847

Birth Place: Edinburgh, Scotland

Nationality: United Kingdom

Known for invention of Telephone

Otto Hahn

Chemist

Born: March 8, 1879

Birth Place: Frankfurt, Germany

Nationality: German

Known for discovering Radioactive Elements

Karl Pearson

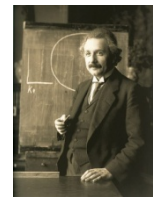

Mathematician and Biostatistician

Born: March 27, 1857

Birth Place: Islington, London

Nationality: British

Known for Principal component Analysis

Albert Einstein

Theoretical Physicist

Born: March 14, 1879

Birth Place: Ulm, Germany

Nationality: Switzerland, US

Famous Quote: Imagination is more important than Knowledge

SL Loney

Mathematician

Born: March 16, 1860

Birth Place: Chevithorne, Devon, England

Nationality: British

Known for influencing Srinivasa Ramanujan through his mathematics Books

Emmy Noether

Mathematician

Born: March 23, 1882

Birth Place: Erlangen, Germany

Nationality: German

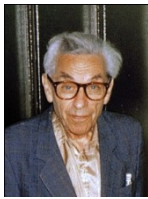

Known for Noether's Theorem

Edward Uhler Condon
Nuclear Physicist
Born: March 2, 1902
Birth Place: Almgordo, New Mexico, US
Nationality: American
Participant in the development of Radar and Nuclear Weapons

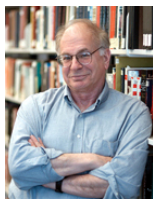

Ann A. Kiessling
Stem Cell Researcher
Born: March 29, 1942
Birth Place: Baker City, Oregon, US
Nationality: American
Known for discovery of reverse transcriptase activity in human cells

Paul Erdos
Mathematician
Born: March 26, 1913
Birth Place: Budapest, Hungary
Nationality: Hungarian
Known for formulating a large number of results and conjectures

Kalpna Chawla
Astronaut
Born: March 17, 1962
Birth Place: Karnal, Haryana, India
Nationality: India, United States
Known as first Indian woman to go to Space

Danniell Kahneman
Psychologist and Economist
Born: March 5, 1934
Birth Place: Tel Aviv, Israel
Nationality: Israel
Known for Nobel Prize in Economic Sciences 2002

Mary Kom
Amateur Boxer
Born: March 1, 1983
Birth Place: Kanganthei, Manipur, India
Nationality: Indian
Winner of Padma Vibhushan, Padma Bhushan, Padma Shri
